

# PROTOCOL FOR THE PROTECTION OF THE RIGHTS OF MIGRANT CHILDREN

## What is this?

It is a series of **steps that should be taken by the institutions responsible for protecting the rights** of migrant children with the aim of guaranteeing their rights.

## Why is it important?

Because it is based on a human rights approach and **specifies ways of acting in accordance with this approach.**

## WHAT ARE THE STAGES OF THE PROTOCOL?

The Protocol comprises **five stages**.  
Each stage considers the competencies of each institution:
